

College Credit Certificate (CCC) 2025 - 2026

Student's Name: _____

Student's ID Number: _____

Pathway Navigator: _____ **Faculty Advisor:** *Caleb Jordan*

Major Courses (15 hours)

The purpose of this program is to prepare students for initial employment as web designers, web production assistants, web production artists, or to provide supplemental training for persons currently employed in the web design industry. The students will gain hands on experience in analysis of end-user needs, use of digital media/multimedia computer applications and the design and production of digital media/multimedia projects, including manipulation of video, animations, and audio. All courses in this program can be used in pursuit of the college's Associate in Science degree in Digital Media.
