The Bachelor of Science in Nursing is designed to prepare licensed nurses for evidence-based practice and leadership in an ever-changing health care environment. BSN Graduates will also have the opportunity to continue their education in a variety of specialty areas.

Admission Requirements:

- · Completion of an associate degree program or diploma program in nursing from an accredited nursing school or college
- Completion of the GCSC baccalaureate degree application (new students) or change of program status (current students)
- Complete the nursing division application for RN-BSN
- Provide documentation of current RN licensure with no restrictions (current license must be active in the state in which clinical rotations are to be completed)
- · Provide official high school, vocational school, and college transcripts
- Documentation of a grade point average (GPA) of 2.50 or higher in all college credit courses and a "C" or higher in all prerequisite courses applicable to the RN-BSN program
- · Completion of the standard Florida foreign language upper division admission requirement. If, at the time of admission, the student has not completed two consecutive years of the same foreign language in high school or eight credits in college, the student must complete eight credits of the same foreign language before completion of the program

Requirements after Conditional Acceptance:

- 1. Satisfactory fingerprint / criminal background
- 2. Copy of Valid CPR certification (either the American Heart Association Health Care Provider Life Support Course or the American Red Cross CPR for the Professional Rescuer is acceptable)
- 3. Completion of physical examination (with satisfactory results), including copy of immunization form
- 4. Satisfactory drug screening (may be required based upon the clinical agency requirements)
- 5. Current PPD or TB test or Declination with x-ray results
